

ATTENTION BUILDERS & LANDLORDS

Are you building or planning on a building a new multi-unit building such as an apartment? Did you know that you can legally implement a smoke-free policy for your building?

There are many benefits to enforcing a smoke-free housing policy including:

- reduce the risk of fires
- lower insurance fees
- create a healthier environment
- decrease unit turnover costs

For more information, visit:

- [Smoke Free Housing Ontario](#).
- Call [Elgin St. Thomas Public Health](#) for support with your policy.
