

Application for a Zoning By-Law Amendment

1. Pre-consultation

The Applicant would be required to pre-consult with the Planning Department to discuss the proposal, review of municipal requirements, review of required background information, review of applicable provincial, county, and municipal policies and outline applicable fees.

2. Completion Of The Application

Part 1 of the application must be completed in its entirety. Part 2 is discretionary. Measurements shall be in metric. A sketch map (refer sample attached) is required showing the features outlined in Section 21 of the application. Failure to file a complete and accurate application may result in the application being returned or delayed in processing.

3. Letter Of Authorization

If the application is signed by a person (different than an owner) or an agent (e.g. planner, solicitor) on behalf of an owner, a letter of authorization (refer sample attached) duly signed by the owner must accompany the application. If the applicant is a corporation acting without an authorized agent, the application must be signed by an officer of the corporation who has the authority to bind the corporation.

4. Filing The Application

The duly signed and completed application shall be filed with the Municipality along with the required application fees payable in cash or by cheque to the Corporation Of The Municipality Of West Elgin as set out in Fees and Charges By-law, as amended time to time. Applications are normally considered by Council at a public meeting on the fourth Thursday of every month. Within **30 days** of

receipt of the application, the Municipality will notify the applicant and/or authorized agent that the information and material required under Ontario Regulation 545/06 has/has not been provided. This notification may be given together with notice of the public meeting or may be given separately.

5. Notice Of Public Meeting

Notice of the public meeting will be given by the Clerk of the Municipality by personal service or ordinary mail to every owner of land within 120 metres of the subject lands, and by posting a notice on the lands which are the subject of the application or, if posting on the lands is impractical, at a nearby location chosen by the Clerk, is of sufficiently general circulation in the area to which the amendment would apply that it would give the public reasonable notice of the meeting.

Notice will also be given to every person and public body that has given the Clerk a written request for a notice. Notice will also be given to persons and public bodies as prescribed by the Ontario Regulations, except those that have advised the Clerk that they do not wish to receive notice.

Notice will be given at least **20 days** prior to the day of the public meeting.

6. Attendance At The Public Meeting

The applicant and/or authorized agent is expected to attend the public meeting in order to present the application and answer any questions of Council and/or the public. Council may grant or deny the application, or defer its decision. In the case of a deferral, the applicant and/or authorized agent will be notified by the Clerk of the date on which Council will further consider the application and/or the public meeting will be resumed.

7. Notice Of Passing/Refusal

If Council enacts the amendment, Notice of Passing will be forwarded, not later than **15 days** after the day the amendment is enacted, to the applicant and/or authorized agent, and to any person or public body who filed a written request to be notified of the enactment. If Council refuses to enact the amendment, a written explanation for the refusal will be provided to the persons and parties in a similar manner through a Notice of Refusal.

8. Appeal

Any person or public body, including the applicant and/or authorized agent, may appeal the decision of Council to the Ontario Land Tribunal not later than **20 days**

after the day that the giving of written notice is completed. The appeal must be filed with the Municipality and must state the reasons for the appeal accompanied by an appeal fee payable to the MINISTER OF FINANCE. An Appellant may request a reduction of the filing fee, if the Appellant is a private citizen or eligible community group. The request for a reduction in the fee must be made at the time of filing the appeal. The appeal must be submitted on an 'appellant form' available from the Ontario Land Tribunal website (<https://olt.gov.on.ca/tribunals/lpat/about-lpat/>). If no appeals are received within the prescribed time, the amendment is deemed to be in effect as of the date of enactment thereof. An appeal may also be lodged with the Ontario Land Tribunal resulting from the refusal of the Municipality to adopt the requested amendment within **90 days** after the day the request for an amendment is received. The appeal procedure in this instance is the same as the procedure described above.

9. Other Requirements

Acceptance of the application by the Municipality shall not be construed as relieving the applicant from the obligation to obtain any license, permit, authority or other approval required by the Municipality, the conservation authority having jurisdiction, or any other public authority or body.

10. Additional Information

For additional information/clarification of the procedure which is followed and the requirements for submitting and processing your application, contact the Municipality's Planning Office at:
