

Application for Minor Variance or Permission

1. **Completion Of The Application**

The application must be completed in its entirety. Measurements shall be in metric. A sketch map (refer sample attached) is required showing the features outlined in Section 20 of this application. Failure to file a complete and accurate application may result in the application being returned or delayed in processing.

2. **Letter Of Authorization**

If the application is signed by an agent (e.g planner or solicitor) on behalf of an applicant, a letter of authorization (refer sample attached) duly signed by the owner must accompany the application. If the applicant is a corporation acting without an authorized agent, the application must be signed by an officer of the corporation who has the authority to bind the corporation.

3. **Filing The Application**

The duly signed and completed application shall be filed with the Municipality along with the required fee of **\$1000.00** payable in cash or by cheque to the CORPORATION of the MUNICIPALITY OF WEST ELGIN as set out in By-law No. 2019-15. Applications must be filed at least **30 days** prior to a public hearing being held in order to allow sufficient time for processing (including a determination of the completeness of the application), circulation of the application and the giving of notice of hearing.

4. **Notice Of Public Meeting**

Notice of the public meeting will be given by the Secretary-Treasurer of the Committee of Adjustment by personal service or ordinary mail to every owner of land within **60 metres** of the subject lands, and by posting a notice on the lands which are the subject of the application or, if posting on the lands is

impractical, at a nearby location chosen by the Secretary-Treasurer. Alternatively, notice will be given by publishing in a newspaper that, in the opinion of the Secretary-Treasurer, is of sufficiently general circulation to which the application would apply that it would give the public reasonable notice of the public hearing.

Notice will also be given to every person and public body that has given the Secretary-Treasurer a written request for a notice as well as to persons and public bodies as prescribed by the Planning Act, except those that have advised the Secretary-Treasurer that they do not wish to receive notice. Notice will be given at least **10 days** prior to the day of the public hearing.

5. **Attendance At Public Hearing**

The applicant or his/her agent is expected to attend the public meeting in order to present the application and answer any questions of the Committee Of Adjustment or the public. The Committee may grant (with or without conditions) or deny the application, or defer its decision. In the case of a deferral, the applicant or his/her agent will be notified by the Municipality of the date the hearing will be resumed.

6. **Notice Of Decision**

Notice of the decision of the Committee of Adjustment will be forwarded, not later than **10 days** after the making of the decision. The decision will be forwarded to the applicant (or authorized agent) in addition to any person appearing at the hearing who filed a written request to be notified of the decision.

7. **Appeal**

Any person or public body, including the applicant may appeal the decision of the Committee of Adjustment to the Ontario Municipal Board not later than **20 days** of the making of the decision. The appeal must be filed with the Municipality and must state the reasons for the appeal accompanied by a fee of \$125.00 payable to the Minister Of Finance. The appeal must be submitted on an 'appellant form' available from the Ontario Municipal Board website (www.omb.gov.on.ca).

If no appeals are received within **20 days** of making the decision, the decision is deemed to be final and binding and a certified copy of the decision will be forwarded to the applicant and his/her agent and filed with the Clerk of the

Municipality.

8. **Conditions In Granting An Application**

Where the Committee of Adjustment has imposed one or more conditions in granting an application, the applicant must fulfill the conditions, where required, prior to undertaking the works and/or the development granted by the variance or permission, otherwise, the minor variance or permission is deemed to be null and void. The owner is responsible for ensuring all conditions imposed are satisfied at all times.

9. **Agreements**

Where the Committee of Adjustment has imposed one or more conditions in granting an application, it may also require the owner to enter into an agreement with the Municipality dealing with some or all the conditions, in which case the requirement to enter into said agreement shall be set out in the decision. Any agreement entered into may be registered on title against the land to which it applies and may be binding on all subsequent owners of the lands.

10. **Conditions In Granting An Application**

Acceptance of the application by the Municipality, along with granting the application, shall not be construed as relieving the applicant from the obligation to obtain any license, permit, authority or other approval required by the Municipality, the conservation authority having jurisdiction, or any other public authority or body.
