

The Municipality of West Elgin

22413 Hoskins Line, Rodney, Ontario N0L 2C0

Addendum

REQUEST FOR PROPOSAL

RFP 26-01

Clarification of Disposal Cost Responsibility

The Municipality wishes to clarify and revise the allocation of landfill disposal costs under the RFP.

Notwithstanding any information provided in the original RFP documents or in Addendum No. 1, including any questions and answers related to disposal costs, the following shall apply:

1. The Municipality shall be responsible for all landfill tipping/disposal costs associated with the collection and disposal of waste under this contract.
2. Proponents shall exclude landfill tipping/disposal fees from their submitted pricing.
3. Proponents are required to provide pricing for the collection and transportation of waste to the designated landfill location only.
4. All references in the RFP or previous addenda indicating that disposal costs were to be borne by the Proponent are hereby replaced with the provisions of this Addendum.

Proponents are further advised to review the amended Appendix C included with this Addendum and ensure that submissions are based on the revised Appendix C pricing format and requirements.

All other terms and conditions of the RFP remain unchanged
