

MUNICIPALITY OF West Elgin

Council Highlights

February 13, 2020 Council Meeting

- A Public Meeting was held for a rezoning at 24381 Thomson Line and a zoning by-law amendment was passed during the Regular Meeting of Council.
- Council received a report from the CBO regarding the consultation process for potential changes to the delivery of building code services in Ontario, per the Ministry of Municipal Affairs and Housing.
- Council received a draft of the updates to the Municipality of West Elgin Building By-law from the CBO and directed staff to bring a final version of the by-law to the Council meeting on February 27, 2020.
- Council provided pre-budget approval for the 2020 Landfill Monitoring Contract with current contractor BluMetric Environmental.
- Council directed senior staff to enter into formal negotiations with Waste Connections Canada for municipal-wide curbside collection of waste and recycling. Further program details and finalization of cost will be presented once this negotiation is complete.
- Council approved the apportionment of drainage assessment for the Czajkowski Drain as part of severance E96/19.
- Council received RV Anderson's Report on the Port Glasgow Trailer Park Septic.
- Council approved a new Social Media Policy. The by-law to adopt this policy will be brought at the next Regular Meeting of Council. Council directed Staff to set up corporate Facebook and Instagram accounts.
- Council directed staff to cancel the Continuous Safety Services Agreement with the Electrical Safety Authority (ESA).
- Council approved the recommendation of the Economic Development Committee to amend the Terms of Reference to include 1 member from the Agriculture Sector and appointed a new member.
- Council received a letter from the Minister of Rural Economic Development regarding the reconstruction project on Blacks Road indicating the project has been approved and has been forwarded to the Province.
- Council appoint Councillor Tellier to the West Elgin Youth Task Force.
- Council announced that Magda Badura has accepted the position as CAO/Treasurer, effective immediately.
