

## **COMMUNICATION FROM PORT GLASGOW YACHT CLUB and MARINA**

After careful consideration of the directions from the Province of Ontario made pursuant to the Emergency Management and Civil Protection Act regarding the COVID-19 pandemic, we have made the decision the marina will remain closed. This was an extremely difficult decision to take knowing that it will have an impact on so many users, but it was clear that we must step up and do our part to keep our community safe.

Please be assured that our volunteers have been working over the off season to ensure we will be able to move quickly to return the marina to full operation when we receive confirmation from government that it is safe to do so. We will continue to monitor all available information and will communicate further prior to our usual opening on May 1<sup>st</sup>.

Thank you for your understanding and cooperation in these very difficult times, Stay safe.

The Board of Directors  
Port Glasgow Yacht Club and Marina
