

MUNICIPALITY OF West Elgin

Council Highlights

February 25, 2021 Council Meeting

Video Feed: <https://youtu.be/TaTz4IlbG40>

- Council welcomed the Honourable Jeff Yurek, Minister of Environment, Conservation and Parks and MPP for Elgin-Middlesex-London to Council for a discussion. Council and Minister Yurek discussed many issues that are important to West Elgin: rural connectivity issues, changes to conservation authorities, grant opportunities, rural schools and their importance to the communities.
- Council approved the Landfill monitoring agreement with BlueMetric Environmental for the 2021 year.
- Council approved a letter of concurrence for Tekksavy Solutions for modifications to their existing telecommunications tower at 158 Main Street, West Lorne and 8650 Furnival Road, Port Glasgow
- Council approved a letter of concurrence for Xplornet Communications Inc for a new telecommunications tower at 22131 Clachan Road.
- Council received the Communications and Public Engagement Plan for the New Official Plan.
- Council declared three lots surplus to the needs of the Municipality and set their disposal methods.
