

MUNICIPALITY OF West Elgin

Council Highlights

February 11, 2021 Council Meeting

- Council received a delegation from Elgin County Engineer Brian Lima regarding Zero-Emission Vehicle Infrastructure as part of the Downtown Rodney Reconstruction. County and Municipal staff will report back with options for locations of possible charging stations.
- Council agreed to support the Mission of *Farm 911, The Emily Project*, through an information campaign with the Fire Department on the importance of 911 numbers for rural properties.
- Council approved the creation of two new positions within the West Elgin Fire Department: Fire Prevention Officer and Training Officer.
- Council received an update from CAO/Treasurer stating that for the time being the Municipal Office will remain closed to the general public.
- Council approved the extension of the contract with Tiny Tots for the use of the Recreation Centre for the 2021/2022 school year, should it be required.
