

MUNICIPALITY OF West Elgin

Council Highlights

October 22, 2020 Council Meeting

- Council set the date of November 23, 2020 for the Seaside Waterfronts public meeting at 7:00 pm. This meeting will be a hybrid of electronic participation and limited in person participation at the West Elgin Recreation Centre.
- Council approved the waiver of rental fees for 2021 for the West Elgin Recreation Centre, West Lorne Complex meeting room and pavilions, for all recognized organizations within West Elgin.
- Council approved the reduction of garbage bag limit to three (3) per household starting January 1, 2021. There will be 2 days a year where this bag limit will be waived, one just after Christmas and one in the late spring.
- Council received a report from the Clerk with regards to West Elgin Stock Photos and directed staff to draft a Request for Quotes and to include an amount in the 2021 Budget for these photos.
- Council received a report from the CAO/Treasurer regarding the operating variances up September 30, 2020 and the projections for the fourth quarter financials.
- Council approved spending up to \$15,000 plus HST for the information technology security audit and compliance assessment.
- Council approved the allocation of up to \$6,000 to the West Elgin Community Health Centre to assist with the costs of setting up a community COVID-19 test site.
- Council supported resolution of Asphodel Norwood requesting the Federal Government enforces regulations under the Cannabis Act and ensures local authorities are provided notification with regards to licensed cannabis growers.
- Council supported the resolution of Blandford-Blenheim with regards to the request that the Federal Government amend the legislation that allows for unlicensed and unmonitored large scale cannabis grow operations with no consultation with local authorities.
