

MUNICIPALITY OF  
**West Elgin**

## **Media Release**

### **FOR IMMEDIATE RELEASE**

**August 21, 2025**

It is my pleasure to announce that the Municipality has been approved for funding through the Housing-Enabling Water Systems Fund, to assist with the West Lorne Stormwater Improvement Project, in the amount of \$2,898,964.

*“On behalf of West Elgin Council, I would like to extend my sincere gratitude to the Ontario Government for the funding received through the Housing-Enabling Water Systems Fund. The funding will allow the municipality to start on the West Lorne Stormwater Improvement Project, and we are pleased to see the Ontario Government recognizing small rural municipalities with their generous funding.”*

The Municipality will provide further updates and timeline, once available.
