

West Elgin Recreation Centre Meeting Space

Southwestern Public health is currently in step 3 of the Provincial COVID-19 response framework, adjusting the "Meeting Space Rules" will help manage meetings, while doing our part to help stop the spread.

The Municipality of West Elgin must follow rules set out by the province and Southwestern Public Health at our facilities. We've worked closely with Public Health to establish facility guidelines that prioritize safety.

We know that some of these new rules can be frustrating and we appreciate your patience and understanding as we take the necessary steps to keep participants and staff safe in these challenging times. The rules are subject to change.

General Facility Rules

We ask all users to stay home if you are feeling unwell or experiencing any symptoms of COVID-19.

We ask all users to use the sanitization stations upon entering and exiting the facility. All users are encouraged to practice proper handwashing etiquette. If you need to cough or blow your nose please use a tissue and dispose of it in a garbage receptacle.

Access to Facility

All persons that are eligible for a vaccination must provide proof of vaccination upon entry.

If the person has a medical exemption they will be required to provide proof upon entry.

If the person is 11 years and younger, they are exempt and will be allowed to entry the facility.

The facility will only be open for those who have completed a rental agreement or are attending a municipal run program. Upon entering the facility, all users are required to sign in. The washrooms will be open for use, please follow all occupancy limits.

Occupancy Limits

The total number of persons allowed to enter the facility for a meeting is 25 persons.

Face Coverings

Face coverings that cover the mouth, nose and chin must be worn in all indoor areas.
All persons entering the facility must maintain a minimum physical distance of 2 meters from every other person; except from their caregiver or members of the same household.
Any persons standing in line to enter the facility must maintain a minimum physical distance of 2 meters from every other person and wear a face covering that covers the mouth, nose and chin.

Respecting Staff

It bears reminding that Recreation staff don't set the rules, but do have an important role to play in enforcing them.

If a staff member reminds you about COVID-19 rules or general safety rules, they are doing their job. Please take their comments as a friendly reminder, and do your part by following the rules.

If you have questions about any of these rules please:

- Contact the organizations leader to learn about their covid-19 safety protocols
- Review the policies set by the Province (<https://covid-19.ontario.ca>) and Public Health (<https://www.swpublichealth.ca/en/my-health/covid-19-novel-coronavirus.aspx>)
